JEWELERS FOR CHILDREN
A GIFT OF LOVE FOR CHILDREN IN NEED
2022 Sapphire Supporter

Only What You Need

The way your jewelry looks is the #1 reason people buy it and how that jewelry looks on a display is the first step to making the sale. Put your best foot forward with high quality, colorful visual merchandising and displays.

With our **O.W.Y.N. (Only What You Need) Program** you can have the best looking showcases without ordering thousands of dollars' worth of displays, waiting for overseas lead-times or ordering tons of extra pieces you won't need.

We have the lowest minimums in the industry and short 3-6 week lead-times with production in the USA. Plus, with hundreds of colors to choose from, **customizing quality displays has never been easier.**

only what you need

With the **lowest minimums in the industry**, Presentation Box + Display saves you money and precious storage space.

dress for success

With a HUGE variety of colors and quality materials, you can **get the look you want** to enhance your brand and your showcase. Ask about our **Prime Materials** for better pricing and **Ready Made Displays** for a faster lead-time.

quality that is guaranteed

Our hand crafted displays are made in our Rhode Island manufacturing facility, ensuring the **highest quality with a shorter wait** to get your pieces in your showcase.

freshen up faster

With shortened lead-times (**as short as 3 weeks!**), you can have your showcase ready to display your inventory much faster than the usual 10-14 weeks.

"Presentation Box + Display was a breeze to work with. Not only did they understand the look we were going for, but also advised which materials and display elements will work best in the long-run, which helped us make an educated decision. The risers have added a much-needed lift to our cases and our merchandise is getting so much more attention! Our displays have never looked better"
